Dedication

Director of the music department of Le Roy High School, Mr. Lane has proven himself not only a helpful counselor and hard worker but also a warm friend to the many members of the class of '56 who have come to know him personally. Although he is perpetually busy with our bands and choruses, he has always managed to find time to lend a helping hand or a word of advice to our class and its members. He has a gift for making us see the lighter side of problems, and working with him or for him has always seemed more play than drudgery.

We will not soon forget his helpful advice, humor, and eagerness to aid us, and so, with deep pride and fond memories of the years behind us, we dedicate this O-AT-KAN of 1956 to Mr. William T. Lane.

Recognition

Marian A. Russell

There are so many significant jobs in our school upon which one's attention is focused that we sometimes forget the important "behind-the-scenes" toil without which Le Roy High would cease to function. It is for this reason that we wish to single out Mrs. Marian A. Russell and express our gratitude for the hours of work in which, for most of us, only the results are obvious. The class of '56 realizes it is such people that make Le Roy the great school it is.

Richard C. Fitch

The class of 1956 takes pleasure in expressing its appreciation to Mr. Richard C. Fitch for the fine job he has done during this, his first year as principal of Le Roy High. We feel that our senior year has been more enjoyable for his being here and we respect him for the capable way he has taken over the manifold responsibilities of his position. The class of '56 wishes Mr. Fitch continued success in his career at Le Roy High School.

Charles D. Graney, M. D.

In Memoriam

The death of Dr. Charles D. Graney in March of 1956 was a great loss felt by both the Le Roy Central Schools and the community at large. During thirty of the fifty-three years he practiced medicine in Le Roy, Dr. Graney was a member of the Board of Education and for eight years he served as its president. In addition he was school physician for twenty-seven years.

Foreword

Everyone has heard it said in his history classes many times, "We live in an era of change." Any student at L. H. S. can readily see this in our new equipment, a far cry from our school 10 years ago.

With this fact in mind the O-AT-KAN editors at their first meeting adopted the slogan, "It's time for a change." The yearbooks of the past were rigid little pieces of literature following a strict form—but not any more.

If at first you're a little confused take heart; you probably have lots of company. We editors of the O-AT-KAN have not cut loose from tradition without reason though, and a quick study of the table of contents will give you a seasonal guide through this school year.

Fall — the acrid odor of burning leaves — back to school — roar of the Batavia game — Hallooween — the whirling gayety of the square dances — bright new clothes.

The Board of Education

The men on this page comprise our Board of Education. At the right, top to bottom is Mr. Sidney D. O'Shea, president; Mr. Ralph Jenner; Mr. Arthur D. Symonds; Mr. Harris MacKenzie. At the left are Mr. Lester A. Pridgeon, clerk; Mr. Clarence A. Lapp and Mr. Almeron Wilcox. These men have served terms varying from three to twenty years. They form a cross section of our community life, since they represent in themselves farmers, merchants, builders, and business executives. Mr. Jenner, Mr. Symonds and Mr. Wilcox serve as president, treasurer and clerk respectively of the Woodward Memorial Library Board.

It is our pleasure to salute these men, who give their time and ability freely to our school system. Their interest in and endeavor for the public good is to their credit and should receive from all of us proper recognition and intelligent co-operation.

DONALD E. HORR, ED. D.

Superintendent of Schools

Dear Class of 1956:

Congratulations on the completion of a major step forward in your education and in your life. In a short time you will be alumni of Le Roy High School ready to take your places as adults in our community life. We have tried to prepare you well so that you can take a place in this adult life and be a contributing member to our society. I would urge you to keep in mind in whatever you do the motto of your Alma Mater, "Semper Nostra Optima" — "Always Our Best."

DR. DONALD E. HORR.

Mrs. Luttrell is one of those few people who is rarely seen or heard in the daily operation of the school. Dr. Horr's secretary, school bookkeeper, acting clerk of the board and school tax collector, she is far too busy to appear frequently from her cubbyhole in the office.

RICHARD C. FITCH

Principal Le Roy High School

Dear Class of 1956:

It has been my pleasure and joy to have worked with you during the past year. You have accomplished much during your four years in Le-Roy High School. I am sure you will look into your O-at-kan many times and recall your class room experiences, your teachers, your classmates, the fun and worthwhile projects. We of the Le Roy High School Staff hope it has been a profitable and pleasant four years.

You know and I know that Le Roy means and stands for many things to all of us. The ensuing formula may help to guide you:

$$\begin{array}{l} \text{Labor} + \\ \text{Efficiency} + \\ \text{Reliability leads to a multiplication } (\times) \text{ of} \\ \text{Opportunity which} = \\ \text{Yield.} \end{array}$$

RICHARD C. FITCH

Physical Education

MRS. JAY

Mrs. Ruth Jay is the girls' physical education instructor at the Wolcott Street School, and keeps herself occupied directing the physical activity of the younger girls. She attended Brockport State Teachers' College where she was awarded the Bachelor of Science degree. She has been with us for two years, having previously taught at Irondequoit. Mrs. Jay has made lasting friendships among the students here and many will miss her when she leaves teaching this year.

MR. JAY

Our director of boys' physical education, Mr. Raymond Jay, has been teaching here for two years. Mr. Jay graduated from Franklin High School in Rochester. He attended Brockport State Teachers' College where he received his Bachelor of Science degree in 1949. He then attended Ithaca College where he received his M. S. in health and physical education. Mr. Jay is also an advisor of the Boys' Athletic Association, and coach of the varsity basketball and varsity baseball teams.

MR. LONGHINI

Mr. Francis Longhini, who has been boys' physical education teacher in Le Roy since 1951, was born here in Le Roy and graduated from Le Roy High School in 1944. He attended Brockport State Teachers' College where he received his Bachelor of Science degree. He recently received his Master's degree at Indiana University. Mr. Longhini not only instructs the physical education classes, but also ably coaches junior varsity baseball and assists in coaching the varsity football squad.

MISS DOUGAN

Miss Dorothy Dougan has been director of the girls' physical education department at Le Roy High School since 1949. She graduated from Kenmore High School, Kenmore, New York. She attended the University of Buffalo where she received her B. of Ed. Later she received her Master's at Brockport State Teachers' College. Miss Dougan's duties include helping with cheerleading and supervising the after school intramural program which consists of girls bowling, golf, and tennis.

Miss Smith bandages the hand of a very stoic young lady.

Mrs. Casey is interrupted while Gary waits for resumption of treatment.

Medical and Dental

Le Roy is very fortunate in the medical and dental facilities that are available to us throughout the school year. A complete dental hygiene office in the high school and a well-equipped nurses' office in the Wolcott Street School pro-

vides us with the opportunity to prevent illness and with the equipment to treat minor ailments.

Mrs. Casey serves as the dental hygienist for the school. A pleasant, capable person, she stands guard over our dental hygiene from the time we enter kindergarten until we leave at graduation.

Miss Smith's place of business is in the Wolcott Street School where she can better keep an eye on the accident-prone grade schoolers. Here she assists the school physician in giving physical exams, and inoculations. In addition she performs the ordinary first aid tasks that are the lot of a school nurse.

The school physician is chosen from among the village physicians on a rotating basis. To Dr. Emil Kimaid has fallen this special task of guarding our health this year, although many of the other doctors have contributed their time and talents. Dr. Kimaid is by now well-known by all our athletes and each student in school has met him through the medium of a physical examination.

Dr. Kimaid listens to Ed's heart beat as part of the annual physical examination ritual.

HORACE B. MYERS, Principal of the Grade School

Wolcott Street School Head

*Blessed is the man
who walks not in the counsel of the wicked,
nor stands in the way of sinners,
nor sits in the seat of scoffers;
but his delight is in the law of the Lord,
and on his law he meditates day and night.
He is like a tree
planted by streams of water,
that yields its fruit in its season,
and its leaf does not wither.
In all that he does, he prospers.
The wicked are not so,
but are like chaff which the wind drives away.
Therefore the wicked will not stand in the judgment
nor sinners in the congregation of the righteous;
for the Lord knows the way of the righteous,
but the way of the wicked will perish.*

Psalm I

HORACE B. MYERS

MISS DRAYO

Mr. Myers' girl Friday is Miss Rachel Drayo, whose duty it is to assist in the smooth operation of the Wolcott Street School. The Oatkan owes a special tribute to her for the work which she does each year in handling grade school subscriptions and payments.

Art

The pursuit of art is an important part of the education of young people. Miss Marilyn Richards is responsible for this phase of the grade schoolers' education and teaches them self expression through a large variety of media. We regret that she is leaving this year and wish her luck in her other artistic endeavor — music.

Music

For many years the teaching of music in the grade school has been in the capable hands of Miss Ethel Erickson, and the success of our high school musical organizations is due, in no small part, to the foundation which she has laid in junior band and the Wolcott Street School chorus. In addition, Miss Erickson has assisted in the presentation of the annual operetta.

Varsity Football

Football, long a major sport at Le Roy, has gained something new this season by entering into the Central Western Football Conference. This marks a turning point for our school: the schools in this conference are much larger than those we have played before.

The Oatkan Knights, however, did not give this detail much thought as they trounced Irondequoit, Newark and East Rochester in quick succession. It looked as though we were headed for an undefeated season until we came up against a hard fighting Brighton team and thus tasted our first defeat. Next

came Webster, where our Le Roy gridders lost another hard fought contest by a score of 14 to 6. Bounding back from bitter defeat, the Knights again entered the winning column with a win over Fairport, only to go down once more to Canandaigua, finishing the conference season with four wins and three losses, gaining a second place tie in the C.W.C.

Our season was not quite over, however, since we had yet to face Batavia, our arch rival. Needless to say we BEAT BATAVIA by a decisive score of 31 to 12.

THE SEASON'S TALLY

Junior Varsity

Coach Salvatore Barone's junior varsity team started this year with green material — the usual state of affairs on junior varsity teams. Hours of practice and patient handling by Mr. Barone and Mr. Marlow, his assistant, molded this raw material into a team fit to represent this football-minded school. Still unsure of themselves, the squad lost the opening game to Dansville in a thriller which saw Dansville score the only touchdown with time running out. Improving, they held a tough Cale-

donia team to a 0-0 tie. This game seemed to cement the team; they went on to victories over Medina, by one touchdown, and Irondequoit, 19-6. Sandwiched between them was a practice session lacing of Batavia. Two games — Brighton and Webster — were cancelled when the weather became too bad for even football. Many of these boys we shall see next year, upholding Le Roy's traditions on the varsity squad.

The Cheerleaders

The cheerleaders are among the unsung heroes of the school. Hours of practice, attendance at every basketball and football game, presentation of pep assemblies and sale of bus tickets are a few of their many activities. To a large extent we can thank them for the enthusiasm and sportsmanship of the spectators at sports gatherings. Sore throats

and aching muscles are common hazards of the trade. Freezing on the sidelines of the football field and sweltering in a hot gymnasium are both taken in stride with a type of spirit which reflects great credit on the school. Much of the credit for their precise antics and the variety of cheers must go to their advisor, Miss Dougan.

The Majorettes

There are few things more colorful at a football game than the sight of a marching band performing intricate maneuvers and led by colorful, high-stepping majorettes, batons twirling, marching in perfect rhythm. To Miss Moran and her group of seven majorettes, led by Donna Drayo and Drum Major Donald Antinore, goes the credit of present-

ing a portion of that color. In addition to their appearance on the football field, this group of students also leads the band on all occasions when they march in public, thus improving the local parades on such holidays as Memorial Day and the Fourth of July.

The National Honor Society

"Therefore, believing in knowledge, character, service and leadership, I rejoice in the obligation which membership in this National Honor Society places upon me, and I shall do my best to fulfill its spirit and purpose," repeated the new members of the Honor Society as they received their membership. A fitting reward for three years of outstanding contributions to their school and their community.

In May of last year six juniors were selected by a faculty committee to form the nucleus of the National Honor Society for the year 1955-56. These were: Wilma Anderson, Jack Carroll, Josephine Iannello, Roger Lapp, Judy Lindsley and Jerry Spiller. Later Judy was elected president; Jerry,

vice-president; Josie, secretary; and Jack, treasurer.

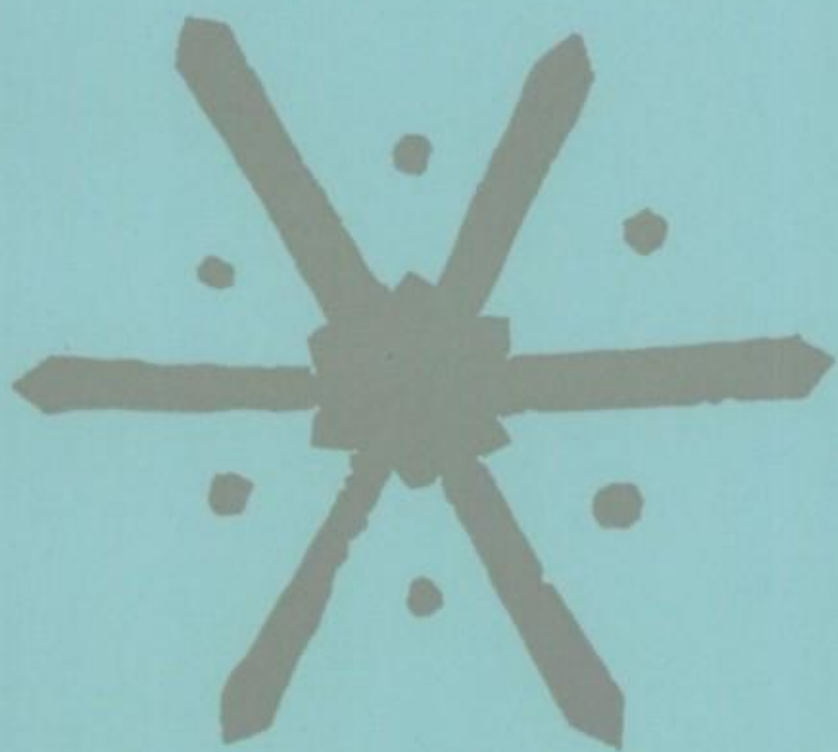

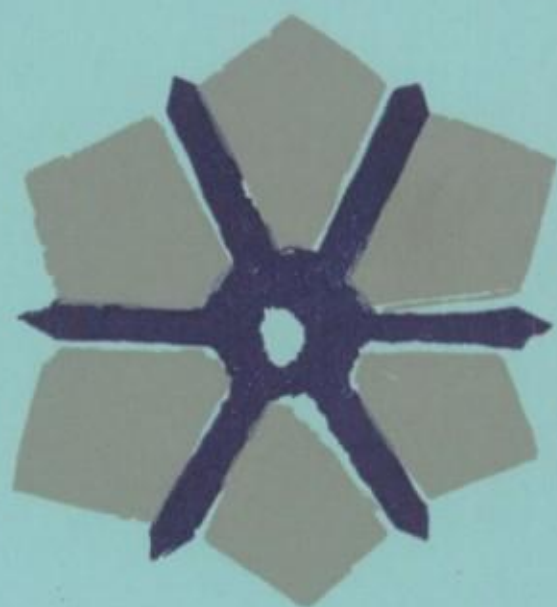

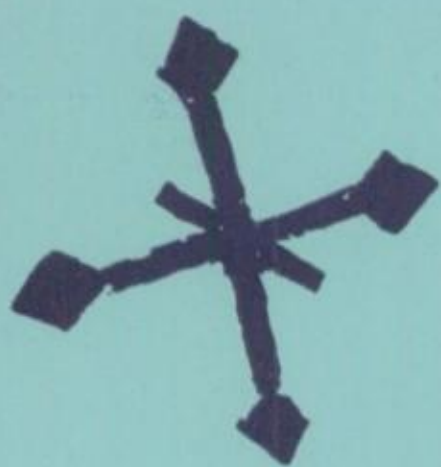

In November of this school year seven additional members were selected to bring the membership up to its full compliment, 15% of the senior class. These new members were Suzanne Crocker, David Frost, Don Nielson, Jerry Patti, Sonja Rae Schmelzle and Sylvia Scott.

The activities of the honor society this Fall included a trip to Rochester to see "The King and I" and dinner at The Copper Kettle early in the year, and later on a ringside seat at the Arena Theatre for the play "Anastasia". In addition a successful drive was carried on to send \$50 to CARE for the relief program in Korea.

Jerry Spiller (left) in addition to being vice president of the Honor Society is the class Valedictorian with an average of 94.6. Judy Lindsley, Society president, is the Salutatorian with an average of 92.1.

WINTER

A crystalline world — Christmas lights spreading a bright glow over Main Street — the excitement of a basketball game — mid-term exams — the cozy warmth of a fireplace at midnight — gay shouts from ice skaters on the creek — a junior prom called "Midnight Mood" — all these memories make up this wonderful season.

The Seventh Graders

When, we, the seventh graders, were first introduced to the changing of classes and the different schedule of the high school, we weren't too sure of what we were supposed to be doing. We had quite a time finding the right room and, when we did find it, we were very often late.

So that we could get a good start as a new class in the junior high school, we had our officers elected last year. These are the officers we chose: President, Karen Duson; vice-president, June Heale; secretary, Bonnie Hillman, and treasurer, Douglas Bennetti. We also had homeroom representatives who were, for the first semester, Beth Acomb from Mrs. Russell's homeroom, Nancy Gillard from Miss DeVoe's homeroom, Linda Lambien from Mr. Rudman's homeroom, and David Stevens from Mr. Taber's homeroom. The representatives for the second semester were Linda Brodie from Mrs. Russell's homeroom, Rachel Frank from Miss DeVoe's homeroom, Marcia McNish from Mr. Rudman's homeroom, and David Stevens from Mr. Taber's home-

room.

The most important people who helped get us started on our journey through high school were Mrs. Russell and Mr. Rudman.

The seventh grade is not allowed by student council to have many events during the year since we must get used to the whole new system. As we get older and are able to carry more responsibilities, we will have more events.

Our first big event was a skating party. At this skating party each of us brought sandwiches and pop. Later in the year we had a skating party which was open to the whole school. We also held a program to which were invited our parents. Many of the seventh graders participated in the Junior High Talent Show. There was tumbling, singing and dancing, and some boys were part of a jazz band. We have enjoyed this year at school and know we will enjoy the years ahead in Le Roy High School.

Officers for the Class of 1961 are, from left to right, June Heale, vice-president; Bonnie Hillman, secretary; Doug Bennetti, treasurer; and Karen Dusen, president.

David Scott and Peter Stefani labor industriously in shop class. They seem certain to make a dent in this particular project.

A steady hand and intense concentration are among the ingredients necessary in this seventh grade art class. Water colors are one of the many media the girls become acquainted with.

The Eighth Grade

This year the eighth grade has prospered well under the capable leadership of James Woodruff as class president. Accompanying him were Robert Fussell as vice president, Diana Wirsing as secretary, and Christine Graney as treasurer.

It was on October 21, 1955, that the eighth grade held a skating party which was open to the whole school.

Homeroom representatives for the first semester were as follows: Ellen Perkins for Miss Harrold's homeroom, Richard Mogavero for Mrs. McCarthy's homeroom, and Larry Boylan for Mrs. Wadsworth's homeroom. Second semester representatives were Ellen Perkins for Miss Harrold's homeroom, Richard Mogavero for Mrs. McCarthy's homeroom, and Barbara Airth for Mrs. Wadsworth's homeroom. Representative-at-large for the year was Joanne Merica.

A record dance, sponsored by the Class of 1960, was held on the 7th of January.

Larry Boylan took the responsibility of m. c. for the Junior High Talent Show held this year. Many other eighth graders participated in the talent show

with singing and dancing acts. Without the able help and advice of Mr. Rudman, Mr. Taber, Miss DeVoe, and Mrs. Wadsworth, the show would never have been the huge success it was.

Introduced this year for the first time was a basketball team composed of 7th and 8th graders. Cheerleaders for these enthusiastic basketball players were Christine Graney, Bonnie Drysdale, Diana Mastin, Diane Wirsing, Barbara Airth, Donna Lamendola, and Sandra O'Geen.

In the campaign assembly, Richard Mogavero made a big hit with the whole student body, including Mr. Bell, when he appeared portraying Mr. Bell. Other eighth graders also participated in the campaign assembly to make it a success. Not only did Richard Mogavero ably entertain us, he also walked away with first prize in this year's spelling bee.

On May 18, the class of 1960 held another open skating party. A good time was had by all who attended. The 8th grade then held a parent's night which included an exhibition of gymnastics.

The eighth grade looks forward to four profitable years of high school.

The Freshmen

This year, as the class of 1956 leaves its final imprint in the history of Le Roy High School, another class is beginning its upward march with characteristic vitality and spirit. Set with determination and aided by the spirit of adventure, the freshman class has completed the first quarter of its journey towards knowledge with great success—experience has added her sage advice to the wealth of this class.

Wisdom guided the class of 1960 to entrust her leadership to very capable hands: David Vicary acted as president, Larry Munt as vice-president, Kathy Dickinson as secretary, and Joe Lapp as treasurer. Not to be slighted in importance there were, of course, three wonderful advisors who generously sacrificed their own time and energy for the good of the class. Mr. Dumont, Mr. Kurth, and Mr. Barone should take a proud bow for much-appreciated guidance.

Action and enthusiasm seem to keynote this progressive class. Not to be outdone by the record of

its predecessors, the class of 1960 is well represented in almost all phases of our extracurricular program. Quite a number of the boys have offered their talents to the success of this season's junior varsity football, basketball, and baseball teams, and Kenny Brownell will be remembered as the fighting tackle who made the varsity in his first year. Typical of sports-minded freshman girls are Karen Leitner, Donna Heaman, and Jane Boyd, whose peppy cheerleading kept the junior varsity boys going even when the going was rough.

Success seems to follow the class of 1960. Although they were allowed only a limited number of activities, the freshmen have seen to it that what they have done has been done well. A partial list of their triumphs include a well-managed refreshment stand, a wonderful dance named "Chimney Sweep," and a baked food sale. With all sincerity we wish that luck will remain with this vigorous class.

The highlight of the social season for the ninth graders was a dance named "The Chimney Sweep" held before Christmas vacation. These are members of the Decoration Committee.

The freshman class chose as its officers this year Joe Lapp, treasurer; Larry Munt, vice-president; Kathy Dickinson, secretary and Dave Vicary, president.

The principal money making activity carried on by this class is the sale of candy and pop during home basketball games. Help seems more abundant than customers.

The Red and Black

It was with considerable surprise that we read on the front page of the daily newspapers this spring that "The Red and Black" did not win a Pulitzer prize this year. Surely the judges must have been biased. But prize or no prize the school newspaper, monthly or bi-monthly, finances determining, continued to grind out all the news of L. C. S. from athletics to alumni, from scholarships to scuttlebut.

Under the leadership of Pauline Argana and business manager Jerry Aiken the staff financed and prepared each issue of the paper—or partially financed it. As this goes to press we are engaged in a Teen Age Carnival which we hope will move the "Red and Black" from the red to the black.

The Concert Band

With three-eighths of the band seats left vacant in the fall by members of the 1955 graduating class, our new band was in a rather green state. But with the patient guidance and instruction of Mr. Lane, a group rich in potential became one of the better bands in Genesee County.

The first responsibility of the band in the fall is to give their much needed support to our Oatkan Knights. This, however, was not the only activity considered. Performing before the P. T. A. several times gave the band experience for their Christmas and Spring Concerts.

K. Hutchinson, J. Hayward, D. Frost, S. Schmelzle, F. Matthews.

The coming of spring meant that the annual county festival was just around the corner. Returning home from the festival held at Corfu with high honors proved that an excellent teacher and a talented group are just two more assets with which Le Roy is blessed.

Intermediate Band

Mrs. Moore and young students

The fact that the size of an individual does not determine his or her possibilities is proven by these youngsters. The intermediate band, made up of grade school and junior high students taking instrumental lessons, is to be praised. Under supervision of Mr. Lane, they are preparing themselves for the next few years and entrance into senior band. Some have already attained such precision that they might well belong at present.

Intermediate activities include appearances in both Christmas and Spring Concerts. Several times throughout the year it performs before the grade school during assemblies. These students are expected to attend weekly lessons given by Mr. Lane, Mrs. Moore, or an approved private teacher. This group rehearses a minimum of one hour per week. Playing music at their level of achievement in the band is considered as part of their work.

The Pirates of Penzance

For two consecutive years the Oatkanaires have presented a Gilbert and Sullivan operetta. Last year's production was "H. M. S. Pinafore" and this season's was "The Pirates of Penzance." This year the profits went toward paying for choir robes for the Oatkanaires.

The cast for "The Pirates of Penzance" was as follows: Frederick, Jerome Patti; Mabel, John Mooney; Major General Stanley, Jerome Spiller; Sergeant of Police, David Griffith; Ruth, Carol Nicholson; Kate, Josephine Iannello; Edith, Judy Hayward; Isabel, Sonja Rae Schmelzle; and the Pirate King, Donald Neilsen.

As the operetta opens, it is Frederick's 21st

birthday, the day he is free from his indentures. When he was a lad his nurse, due to a faulty hearing, had apprenticed him to be a pirate instead of a pilot.

The plot tells of Frederick's difficulties as a pirate. Although suffering in conscience, he felt it his duty to work out his apprenticeship. His difficulties are further compounded when it is discovered that he was born on leap year and is only five years old, not 21 (the age at which he may cease to be a pirate). Eventually the patriotic pirates, persuaded by the police, change their method of livelihood and become loyal British subjects, leaving Frederick free to marry his loved one.

The Oatkannaires

This year was one of triumph for the Oatkannaires because they were able to buy the long-awaited choir robes. In order to pay for them, chorus members worked diligently on the many chorus activities. These included a well presented operetta, a successful dance, and the annual Christmas and Easter concerts.

Mr. Lane, our learned instructor, prepared the chorus for the County Music Festival with this fine selection of music: the tunes from "Oklahoma", Fred Waring's "All the Things You Are", "Jesu, Word of God", and "Our Master Hath a Garden".

This year was again a first for making a school record of the more popular school verses, cheers, and some songs sung by the Oatkannaires. These too were sold to help pay for the picturesque red and black robes.

Girl's Chorus

If you have passed the open door of the auditorium during sixth period on Wednesday or Friday you have heard the melodious voices of our girls' chorus.

With the large number of girls this year it has been necessary to work hard to attain such accurate expression, enunciation and tone quality as is required to present the songs that our instructor, Mr. Lane, has selected for us.

If you can think back to our Christmas vacation you can also remember the Christmas concert and the ability shown as the chorus sang excerpts from the "Nutcracker Suite".

The Genesee County Music Festival was actively participated in this year by our girls. The chorus sang a variety of numbers including "Praise to the Lord" and Mozart's "Alleluia".

Also taking part is the highly successful spring concert the chorus added "Beautiful Dreamer" to its repertoire.

The graduating members shall be sorry to bid farewell, but, we know the chorus will look forward to welcoming new members who will carry on the work of this increasingly popular organization.

Junior Chorus

B. Drysdale, R. Call, C. Graney

The Junior Chorus is the junior high equivalent of the Oatkanaires, a group of approximately sixty seventh and eighth graders who are studying the fundamentals of voice music. Under the direction of Mr. Lane, this choral group performs in only two of the concerts given before the public, the Christmas Concert, and the Spring Concert; but the members do participate in weekly rehearsals. This is the group from which Mr. Lane will draw replacements as members of the high school choruses are lost through graduation. Thus their early training is of considerable importance to the school's music department.

The Oatkan Knights

After a fair start of four wins and three losses Le Roy went on to win five straight games before bowing to Oakfield 56 - 46. With the possibility of a good season, they quickly recovered to beat Medina and Notre Dame before losing to Batavia in the final game. A record of eleven wins and five losses ended one of the best seasons in years. But hold on! By beating Albion twice and Oakfield once, we went to the sectionals. This time we just

couldn't hit the basket and came out on the short end of a 51 - 37 verdict with Painted Post. This year we reversed the one point jinx by which we lost three games during regular play and two during overtime last year. This year we won three games by one point and one by two points. Leitner was high scorer for the season with 219 points. Tabone and Paladino were tied for second with 163 points.

The J. V. Five

After losing four of his five starters this year, Mr. Barone had to revamp the whole J. V. team. Many combinations were tried, some in vain and some successfully. The J. V.'s always manage to beat Batavia even though the varsity can't, and this year they did it twice. The J. V.'s contributed one

of the most exciting games of the year with Byron-Bergen. The score was 44 - 44 at the end of the game, so an overtime was played in which both teams scored one point. A second overtime was played in which Le Roy scored six points to win 51 - 45.

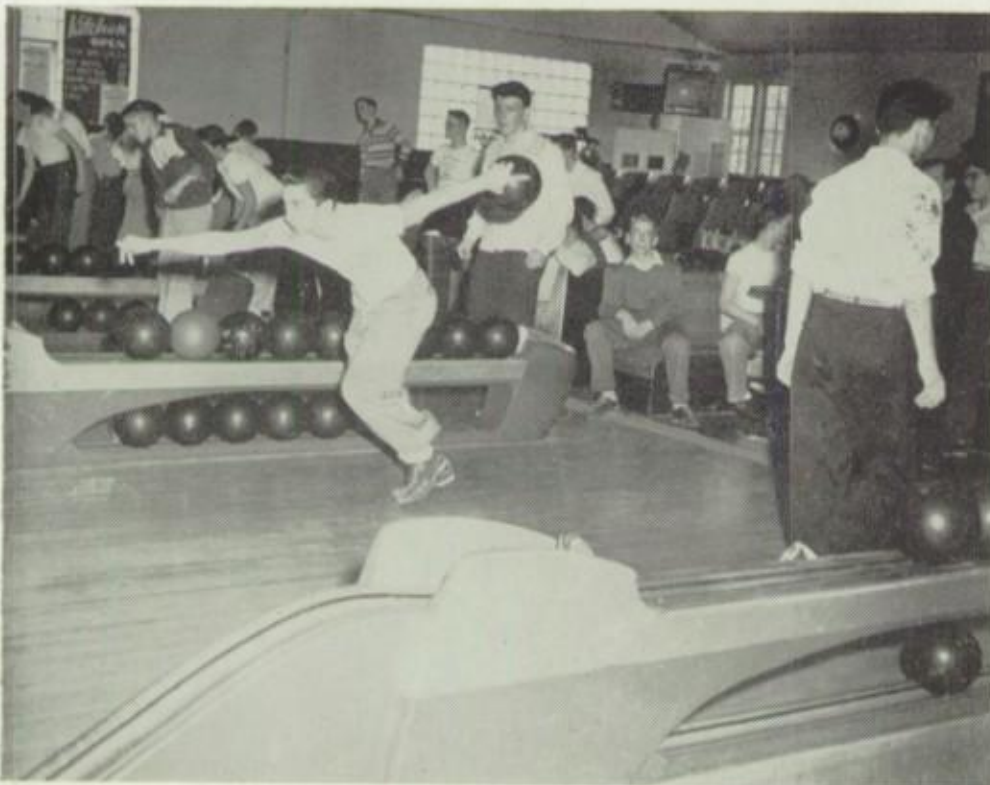

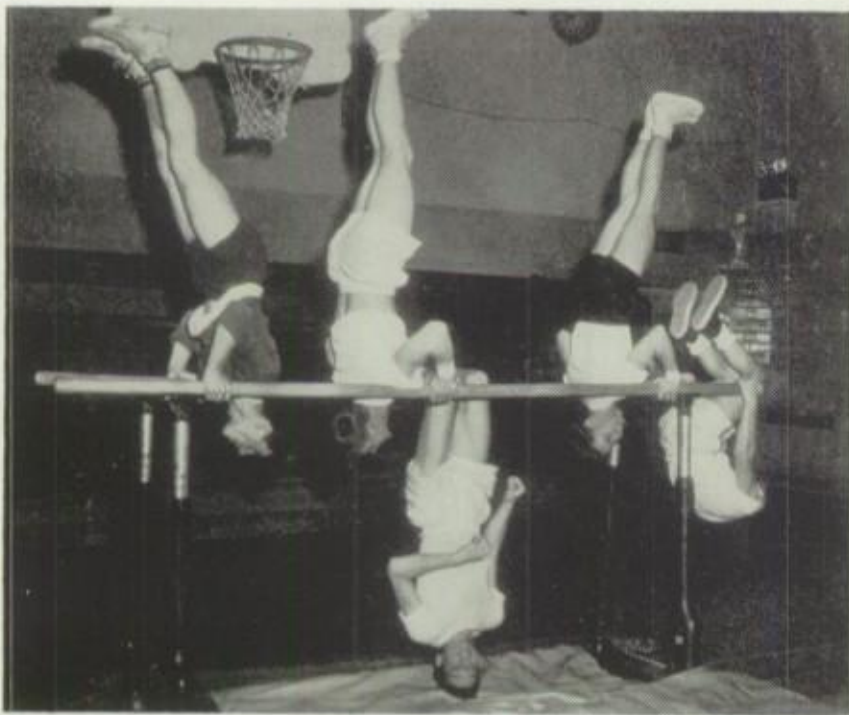

BAA OFFICERS. R. Rogers, D. Frost, J. Frank, F. Mangefrida.

The BAA

The Boys' Athletic Association is composed of all the boys in High School, and four elected officers, President, Vice President, Treasurer, and Secretary.

The purpose of the BAA is to check the expenditures and receipts of the Athletic Association which consists of all intramural and intermural sports. The money earned by such activities is spent by the BAA in purchasing new equipment for the various sports. Some of this money is spent for game officials, bus drivers for out of town games, and the many other expenses which such sports incur.

This year the combined BAA and GAA gave a gym exhibition on April 5th, which consisted of gymnastics on the parallel bars, the buck, and the horse; tumbling featuring many intricate stunts such as the front and back flip, headstand, hand stand, and pyramid. The climax of the night was a very polished square dancing exhibition.

BAA officers for this year were: President, Joseph Charles Frank; Vice President, Roger Rogers; Secretary, Frederick Mangefrida; Treasurer, David Frost. Faculty advisor is Mr. Raymond Jay.

The G. A. A.

The Girls' Athletic Association is composed of all the girls in high school. Those who actively participate in intramurals obtain awards based on the number of points earned: numerals, 175; shield, 300; letter, 500; gold key 725.

This year archery and speed-a-way were added to the usual sports of soccer, field hockey, bowling, tennis, basketball, volleyball, badminton and softball. Two clubs were also started this year. The Folk Dance Club and The Officials Club.

GAA OFFICERS. L. Laughlin, J. Iannello, B. Hackett, D. Drayo.

Other activities were a skating party, bowling banquet, swimming party, June dinner, and active participation in the Tri-County Association. The latter includes sports days and invitation games in swimming, basketball, bowling, volleyball, badminton, track and softball.

The Sophomores

Our goal was before us. A goal which could be reached only with the teamwork of the whole class. Our captain, Doug Fiero, was to keep the team going with the help of his co-captain, Carol Reamer. Our reporter was Shirley Pfaff and the treasurer, who kept a record of the proceeds, was Lee Cravotta. Our coaches were Mrs. Williamee, Mr. Bell and Mr. Serio.

The first game, December 3rd, was a victory and the "Sleighbells" started ringing. This was our first Sophomore dance and our team came through splendidly. In December, we showed that we had Christmas spirit by donating money to the Batavia Children's Home.

The Sophomore refreshment committee served ice-cream, coffee, and sandwiches to the school team to keep them on their feet. There were a few accidents but it proved to be quite an adventure.

In January, our second big game was to be played. The banners read "Baked Food Sale Today". Again our dance appropriately entitled "April in Paris." The atmosphere that was achieved by the decorations was certainly on the French side. Lanterns and little French poodles were everywhere and Mike Ellingham's music filled in the background. When this game was over, we remained a winning team, a good sign that we would be undefeated in the coming years.

The Sophomore class chose for its officers Doug Fiero, president; Carol Reamer, vice president; Shirley Pfaff, secretary and Lee Cravatta, treasurer.

Many members of our group participated in basketball, baseball, football, track and tumbling. Everyone remembers Bobby Dedman and Ted Thorn making a basket to carry our cheers in or Johnny Tompkins and Joe Antinore out on the football field. Rodney Steverson and Donny Vickers showed their skills in tumbling. Many of our team members belonged to the various musical associations. Yes, the class of '58 showed that they could certainly attain a goal. We're looking forward to next year's activities.

The principal activity of the sophomores, at least from the point of view of time consumption, was the selling of sandwiches, ice-cream and hot drinks at the basketball games.

Here a decorating committee for the "Slighbells" dance, the class's highly successful December event, makes preliminary arrangements for transforming a utilitarian gymnasium into a winter wonderland.

The Juniors

What a wonderful year this has been! Our Junior year in Le Roy High School has held experiences galore. We have had David Griffith, president; Allan Cohen, vice-president; Nancy Hackett, secretary; and Carol Nicholson, treasurer, riding at the helm of our class ship from the first day of school, way back in September. Our advisors, Miss Harrold and Mr. Harrison, have always been present to set the sails straight.

Naturally, we have tried to fill our treasury and have been very successful. Our first major cruise was the Junior Prom held on November 23. We called it "Midnight Mood" and music was furnished by Jack La Raoux and his orchestra. The crew did a marvelous job of keeping everything ship-shape. The handsome king and lovely queen were Larry Reid and Sandra Baker. The class also held a baked food sale during the fall months.

The next voyage was a round and square dance at Christmas time. It seems as though everyone was

present at this dance, for it certainly was a success. Another time out of the port and we held the Junior Frolic. It took place in May, for after all, spring-time is the time for frolicking, isn't it?

One big event for the Juniors every year is Student Council nominations and elections. The nominees were Allan Cohen, Kathleen Jenner, David Griffith, Carol Nicholson, Bill Graney and Sandra Baker. The team for next year is Al Cohen as president and Carol Nicholson, vice-president.

Another big event is the long awaited appointment into the National Honor Society. This year eight of our crew members were selected. They are Allan Cohen, Ann Cromwell, David Griffith, Kathleen Jenner, Sam Maloni, Polly Mills, Carol Nicholson, and Barbara Shepard.

This year the Juniors were in charge of the Polio Fund Drive in the high school. We collected money in the school for a week, and added the

proceeds received from a record dance which we held in April.

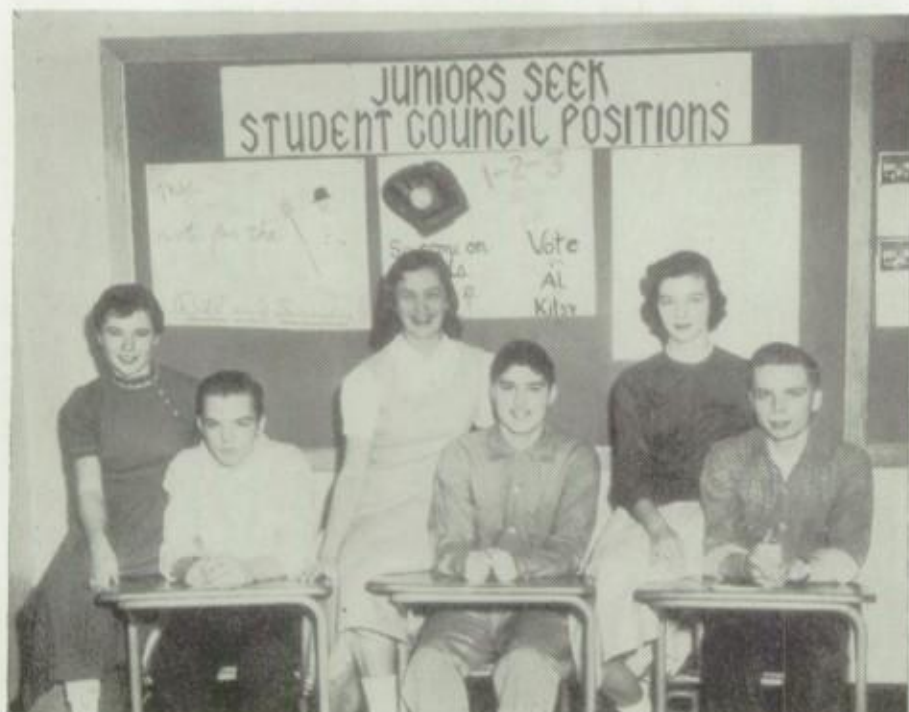

June was a busy month. We sponsored the annual ballet recital, June 1 and 2. This took a lot of hard work by all of the crew and once again the voyage was completed without any casualties. Last year the Class of "56" started something new. It was the giving of a commencement dance for the Seniors. To carry on this fine idea, the Class of "57" held a dance on June 9. We can't forget to mention the tree that we helped the seniors purchase to plant in front of the school. Wow! This has been a busy year. We plan on having the list of activities grow longer by the time we graduate.

Elected to carry the burden of leadership in the Junior Year were David Griffith, President; Nancy Hackett, Secretary; Allan Cohen, Vice-President and Carol Nicholson, Treasurer.

The Junior Prom, held this year on November 23, is always one of the high points of the schoolyear. This one was no exception. The winners of the annual contest for king and queen of the prom were Larry Reid and Sandra Baker.

At no time do any juniors work more feverishly than do those candidates for Student Council offices during election time. Here the six candidates—Sandra Baker, Bill Graney, Kitsie Jenner, Allan Cohen, Carol Nicholson and Dave Griffith—rest between rounds.

the Thing"

The Stage Hands

Senior Play

The tryouts for the cast of "June Mad," were held after school in the lower section of the library. After several days Miss Shores, the play's director, released the results to the anxious seniors: Josephine Iannello was to be Penny Wood, the leading lady, and Donald Nielson was cast as Chuck Harris, the leading male. The cast was completed as follows: Donna Drayo as Milly Lou, Jane Mooney as Mrs. Wood, Francis Matthews as Dr. Wood, Lawrence Hyde as Elmer Tuttle, Sonja Rae Schmelzle as Effie, William Boyd as G. Mervyn Roberts, Jerome Spiller as Roger Van Vleck, Jerome Patti as Mr. Harris, Juliene Rashko as Julie Harris and Kermit Roth and Pat Bennetti as Ralph and Shirley Wentworth. Nancy Durney was the very competent bookholder and filled in for cast members at many a rehearsal.

Miss Shores called the first rehearsal for the following Monday night, and thus the senior's production of "June Mad" was under way. Rehearsals went smoothly for four weeks. Then gloom descended as Josie Iannello developed a skin disorder, and Jerry Spiller a virus infection, keeping them from several rehearsals. Miss Shores had tense moments wondering whether to postpone the comedy or go ahead with the schedule. She chose the latter and rehearsals resumed their smooth pace as both

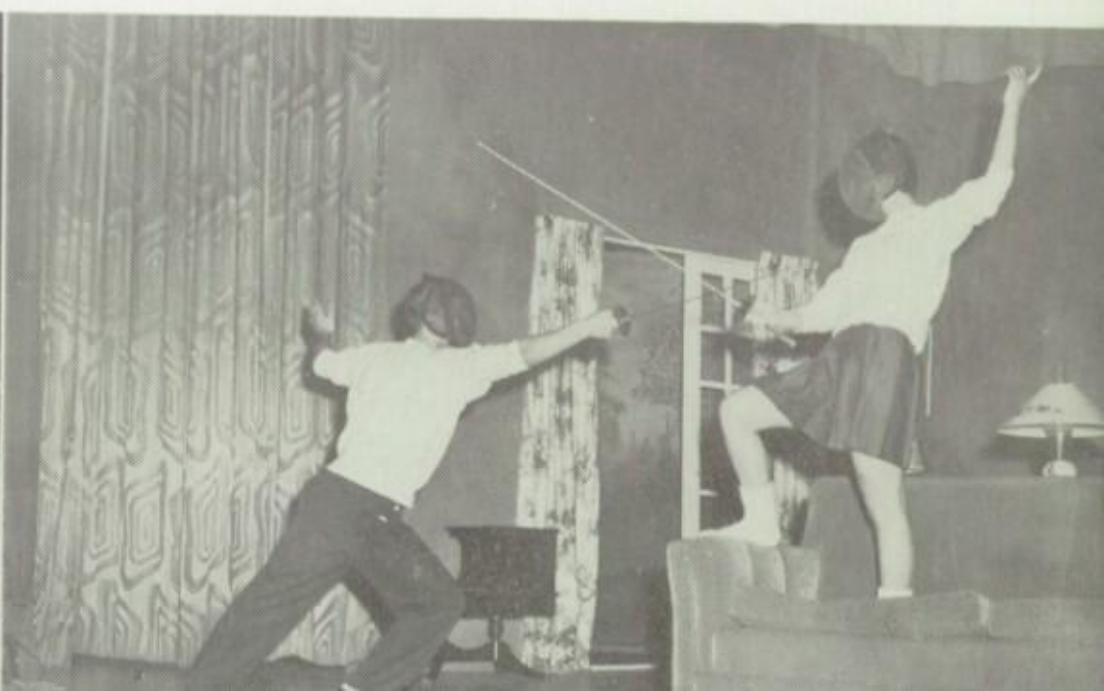

absentees were returned to the cast.

"June Mad", by Ryerson and Clements, presented problems vital to youth in an intelligent and sympathetic manner.

The story concerns Penny Wood and Chuck Harris, the boy next door, as they go about the frequently difficult but amusing business of growing up.

When Penny's Uncle Mervyn, only five years older than she, brings Roger Van-Vleck, a senior and killer-diller, home from college, she forgets to be a man-hater and succumbs to an attack of calf love which is ten degrees worse than measles. In her efforts to make herself attractive to the fascinating Roger, she almost disrupts two families, but the discovery that Roger is double crossing Mervyn by trying to steal his girl, brings her back to normal, and, incidentally, to Chuck.

Approximately 1,200 people attended the two performances, and all enjoyed the efforts of the cast and its director, Miss Shores. At the close of the second performance, the cast presented Miss Shores with a bouquet of roses, and each usher awarded a corsage to the individual actresses, after which the curtain closed with a tremendous burst of applause from the audience.

Student Council

"Student Council," when broken down, means every student of Le Roy High School belonging to a council, which means an assembly of persons meeting in consultation, or to give advice. Under the constitution it is stated that this organization shall be called the Le Roy High School Student Association. The advisers are: Mrs. Balmer, Mr. Gangi, Mr. Mangefrida, Mrs. McCarthy, and Mr. Perrone.

Some of the duties of this association are to direct the extra curricular activities of the student body, to maintain and develop school spirit, and to provide opportunities for the students to practice citizenship. The council shall charter extra curricular clubs and organizations, determine schedules of meetings, plan student conducted assemblies, and many other such duties. Many organizations come to Student Council to seek help because they cannot raise enough funds to support themselves. Some

of the organizations are the cheerleaders, the majorettes and the Red and Black staff. Student Council in general, is the governing body. Every student receives many privileges as the result of Student Council but they also have their responsibilities to the school. If a student disagrees with any of the topics discussed he has the right to voice his opinion. The council is arranged in such a way that each student has an opportunity to have his own ideas brought up before the student body.

In order to make money this year, Student Council sold pens with Le Roy High School written on them, and school emblems which consisted of a knight riding on a horse cut on red felt with black embroidery. These are to be sewed on jackets. We sponsored a dance and we are planning an outdoor activity. We also receive ten per cent of the profits made by other classes and organizations.

J. Frank, J. Iannello, S. Schmelzle, J. Patti

The Student Council consists of the president, vice president, secretary, treasurer and all of the members of the council. These members are made up of six members from each class. Each class has equal representation, making the total thirty-six. These members are elected at the beginning of the school year by each of the respective classes. Every class activity must be approved by a majority of the student council before it can go into effect. The privilege of voting is confined only to the members, but any student may attend the meeting and present his viewpoints.

This years officers: President, Joseph Charles Frank, vice president, Josephine Iannello, secretary, Sonja Rae Schmelzle, and treasurer, Jerry Patti. The president and vice president are elected in the spring of the previous year. However, they do not take office until the following year. The system of electing these officers is similar to the one used by our national government. In the latter part of March two conventions are held to choose the candidates for the election. The entire student body is divided equally with half going to the gymnasium

and the other half going to the auditorium. The candidates for nomination who will have already been signed up are also divided into each convention. From each of these conventions will be picked a presidential and a vice presidential candidate. The candidates for nomination this year were: Federalist, David Griffith, and Carol Nicholson; Nationalist, Allen Cohen and Kitsie Jenner; and Independent, Bill Graney and Sandra Baker. For the next week, candidates campaign within the school for their offices. The final bit of campaigning will come in the assembly which is held the day before the election. At the election the voting is done on the town voting machine and the results are held for the publication of the Red and Black. The winning candidates were Allen Cohen and Carol Nicholson.

Six members of the Student Council take a very active part in the Genesee County Student Council. They are Joe Frank, Josephine Iannello, Sonja Rae Schmelzle, David Frost, David Griffith and Doug Fiero. They exchange with various schools and get different ideas on how to better our Student Council.

O-AT-KAN

At our first meeting we all had very grandiose plans for our humble year book. Colored pictures and a gold-plated cover were the least we hoped for. Unfortunately the amount of cash at our disposal put a damper on things.

Resigning ourselves to the inevitable we tried to make the most of what we had. Many themes quickly came to mind but for various reasons were just as quickly junked. Finally we decided, for better or for worse, to base our book upon the seasons.

For a new twist we discarded the old system of dividing the O-at-kan into the seven sections as had formerly been done. The '56 yearbook was divided into four sections named after the seasons and each facet of school life was placed in its proper section.

The business of picture taking presented a problem, for according to our theme each photograph had to have a particular seasonal background. You can bet that getting some of the pictures to conform was a little rough.

The executive staff of the O-at-kan includes Jack Carroll, editor-in-chief; Roger Lapp, business manager; Judy Lindsley, associate editor; and Jerry Spiller, associate editor and photographer.

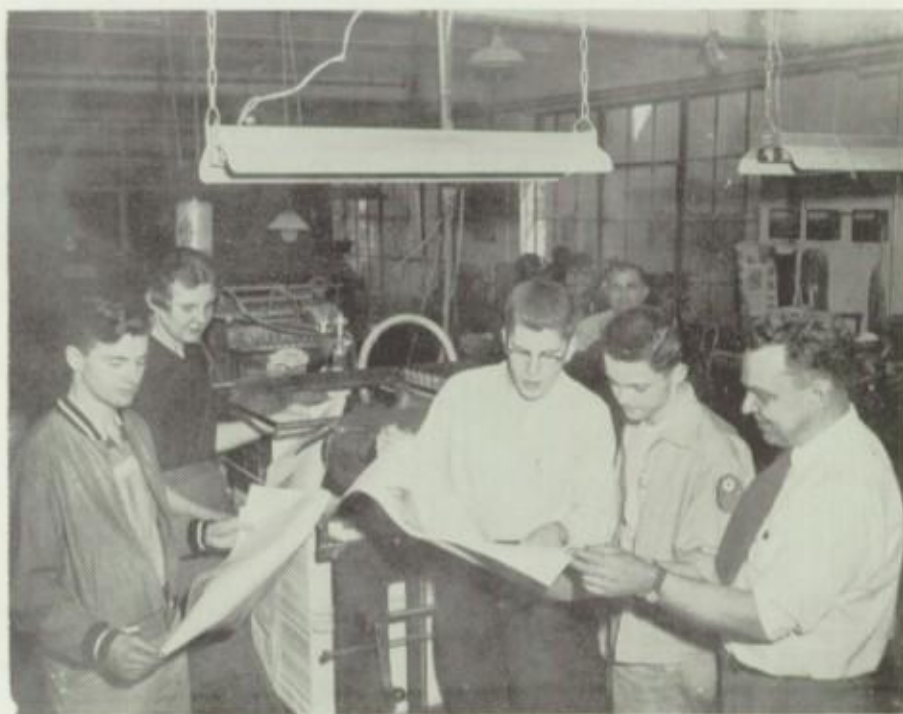

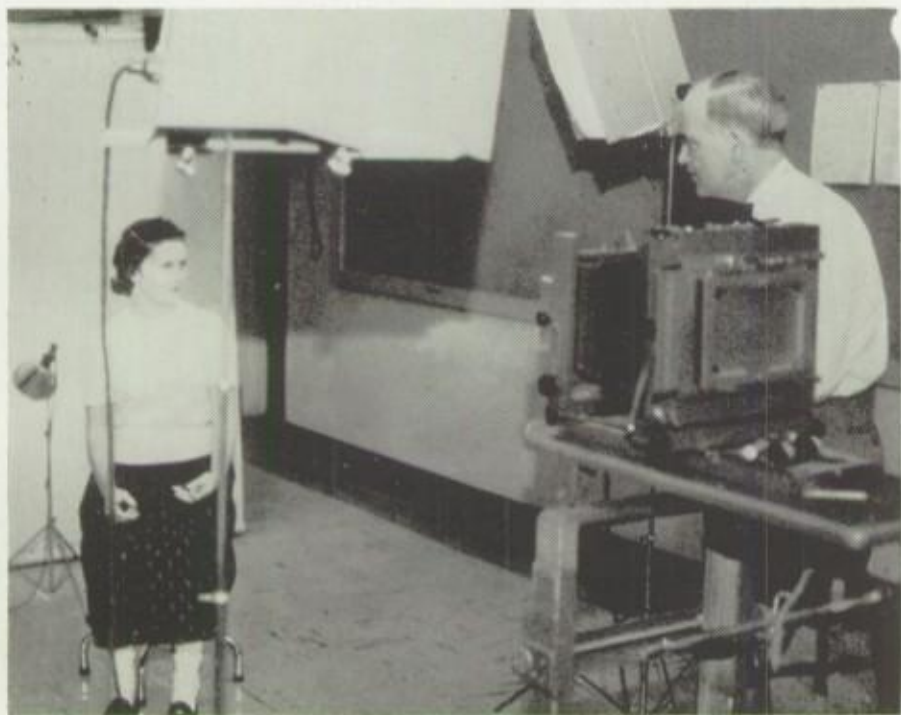

The major portion of the photographs for the yearbook were taken, developed and printed by Jerry Spiller under the guidance of Mrs. Russell.

FIFTY-SIX

One of the major events of the senior year is the posing for senior portraits, taken by a photographer from the Varden Studios.

All the composition and presswork is done by the Gazette-News Publishing Company in Le Roy. Here Mr. Avery Perkins shows proofs of the book to the executive staff.

Subscriptions and advertisements proved to us that there is a lot more to selling than just saying, "gimme."

Well, enough said. Look through your O-at-kan. If you like it or, heaven forbid, if you don't, tell next year's staff; they can use your suggestions, but don't call us; we've gone on to bigger and better boo boos.

The Executive Staff would like to take this opportunity to thank their fellow seniors who worked so long under our lash. Special thanks to the rest of the staff Pauline Argana, Phoebe Call, Suzanne Crocker, Josie Iannello, Don Nielson, Sonja Schmelzle, Sylvia Scott, Nola Sheffer and Judy Shepard.

Bouquets too for Ruth Shanks who did the art work, Wilma Anderson who carved the lineloum prints and Nancy Durney who typed the final version of the O-At-Kan from beginning to end.

The Varsity Sluggers

The baseball team struggled against two forces most of this year. The principal opponent was the weather which rained out game after game, forcing the team to play nearly every day in late May. The second struggle occurred early

in June against Oakfield in a game deciding the league championship. Both Oakfield and Le Roy had finished the regular season in a tie for first place; and in the play-off game, in spite of a well-pitched game by Satch O'Geen and tight fielding by the rest of the squad, the boys lost 1-0. The year was, however, a real success; the regular season record of 7 won and 4 lost attests to this. In addition prospects for next year look good indeed with Mr. Jay losing only four players through graduation and a highly successful JV team to choose replacements from.

J. V. Baseball

The 1956 edition of the Le Roy Junior Varsity nine was one of the most successful on record. With 14 of 15 games played the squad boasts a record of 13 wins against one lone defeat. In addition the hard hitting, slick fielding team scored 150 runs in these fourteen games

while holding their opponents to 43. The high point in scoring occurred against Albion when the JV's amassed the seemingly impossible total of 38 runs. Coach Longhini and his players have every right to feel proud of the manner in which they represented Le Roy on the baseball diamond.

Larkin Speaking Contest

The Larkin Speaking Contest is an annual affair, open to all juniors and seniors in the school. Its contestants, however, for the most part come straight from the rigors of public speaking class to demonstrate their newly-gained skills to the public.

This year's contest was a particularly close one. After considerable debate Allan Cohen was chosen as the winner of the boys division with a talk on indecision and Sam

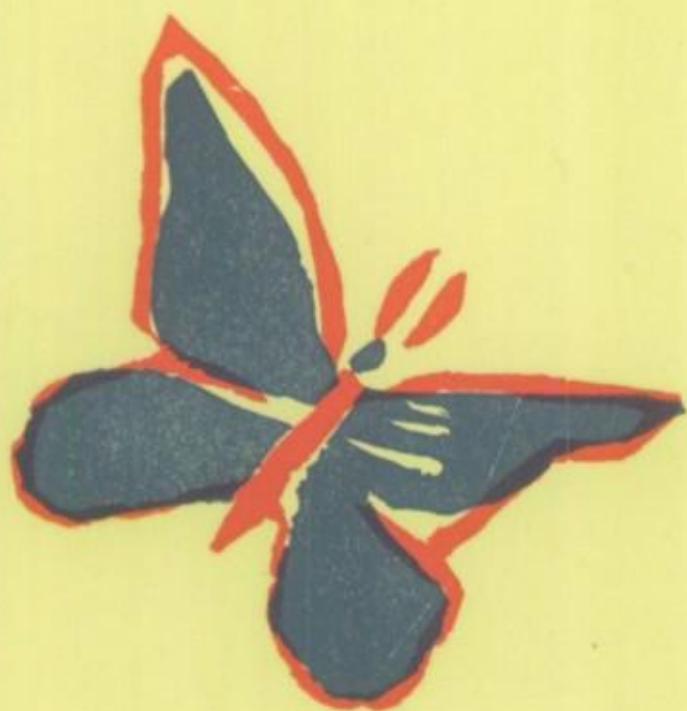

Maloni, who spoke on a formula for peace was awarded second place. In the female division Carol Nicholson's oration on friendship was adjudged the best, followed closely by Polly Mills' dissertation on languages.

Behind the scenes in both the speech class and the Larkin Contest was Miss Murnighan of the English faculty and the success of this year's contest was largely dependent upon her.

2nd Row: P. Mills, D. Griffith, J. Hayward, P. Boylan, K. Jenner, A. Cohen. 1st Row: J. MacKenzie, S. Rubino, C. Nicholson, L. Laughlin, S. Crocker, K. Anchor.

SUMMER

This Summer — sorrow and anticipation — the hush of the exam room — drowsy drone of the bumblebees — the dignity of graduation — picnics and swimming parties — the end of school.

The Seniors

This has been a glorious and eventful four years, packed with fun and excitement and hard work. Now at last, the prize we have sought for twelve years is ours, and we are as proud as Alladin must have been when he was presented with his magic lamp. But not even Alladin's lamp could keep us from feeling a little regret at leaving L.H.S.

Under the leadership of Mr. Taggart, Miss Moran, and Miss Murnighan we elected David Frost class president, Pudge O'Geen vice-president, Donna Drayo secretary, and Fran Matthews treasurer.

We started with high spirits selling refreshments at the football games. "Neither rain or sleet" etc. Yes! That was us. In October we tried a car wash. We were soaked and tired and sore, but we had fun.

Next came the Spaghetti Supper. Almost every house in Le Roy received a knock at the door; opened, only to find a couple of seniors trying out their salesmanship, urging the community to try "our spaghetti."

Around Christmas time, after raising the annual tree, we proceeded to decorate it beautifully.

In March there was much hustle and bustle as we were preparing to present "June Mad", our senior play. Tickets had to be sold, props obtained, and programs made; it was a job, but so much fun.

June 6th we attended the Tountas Dinner, a step closer to graduation, a trifle more sober, realizing how close we were to the end of our years together.

This year we tried a senior weekend. Friday we had class night, June 23rd we held our beautiful and memorable Senior Ball, 24th Baccalaureate services were held in our churches, and on Monday, June 25th, the 65th Commencement was held in the Le Roy High School.

Yes! Graduates at last, and not one doubt but that it was worthwhile. These are things we just couldn't forget: the marvelous feeling of being seniors and, most of all, our Alma Mater and you.

The Seniors take part in our mock elections, but it a few years it will be for real.

Scotty and Rowena apparently don't feel the same about the scene before them.
